A close-up photograph of a tree trunk, showing the intricate, cracked texture of the bark. The lighting is dramatic, with a bright spot illuminating the center of the trunk, creating a strong contrast with the dark, shadowed areas. Overlaid on this background is a white graphic consisting of a circle and the word "FIVE." in a bold, sans-serif font. The circle is positioned to the left of the text, and its right edge overlaps the first few letters of "FIVE.".
